

Dr. Lee Alexander Risby

Head of Impact & Communications
C&A Foundation

Beyond Measurement - Putting Faith and Trust in Impact Investing

Abstract

Impact investing needs to embrace proof of impact to remain trustworthy.

Biography

Lee has over 15 years experience in the evaluation of results of supply-chain, corporate responsibility, development and environment projects and programs across the corporate philanthropic sector, Multilateral Development Banks and the United Nations. He holds a master and PhD from Cambridge University.
